

The Faith Mission

A Vision God Gave — for His children, at home and abroad

David Hahn · Faith & Fitness Enterprises · in partnership with Pastor Asif · 2026

*"Oh that thou wouldst bless me indeed, and enlarge my coast, and that thine hand might be with me,
and that thou wouldst keep me from evil..." — the prayer of Jabez, 1 Chronicles 4:10*

This vision was born in a prison cell in Taylor City — the place they call "the Rock" — where all I had was a Bible and push-ups. God met me there and gave me a picture of what He wanted built: a place of healing and freedom here, and rescue for His children across the world. This is that vision, written down. — David

1 · Where It Was Born — the Rock

Everything here started with nothing: a cell, a Bible, and push-ups. In that place God stripped away the noise and showed me that real wealth is for one purpose — to set people free. Free from addiction, free from slavery, free from despair, and free in Christ. What the enemy meant for harm, God meant for good (Genesis 50:20). This document is me being faithful to write the vision down and make it plain (Habakkuk 2:2).

2 · The Mission Abroad — Pastor Asif & the Children of Pakistan

For over eight years I have known Pastor Asif. He has always been there for me. Fresh out of prison, I preached live sermons from my RV on Christmas morning to his orphans and widows on the other side of the world. These are children rescued from brick-kiln slavery — and our mission is simple and holy:

- Rescue children from **bonded child slave labor** and bring them to safety.
- Give them **peace, dignity, education, and the love of Jesus**.
- Care for the **widows** alongside the orphans.
- **No more child slavery** — one child, one family, one village at a time.

This is the heart of it: **10%+ of everything we build flows here**, to Pastor Asif's children. The businesses are the means; these kids are the mission.

3 · Why It's Urgent — the Persecuted Church (the facts)

The reality	Source
~388 million Christians face high persecution worldwide (2026)	Open Doors WWL 2026
4,849 Christians killed for their faith in the 2026 reporting year	Open Doors WWL 2026
Pakistan ranks #8 most-dangerous; Christians ~1.8% of ~250M	Open Doors WWL 2026
Bonded labour illegal since 1992, yet 25,000+ brick kilns trap	Anti-Slavery / GCR
an estimated 4.5 million workers — many children & widows	reporting
Blasphemy laws + forced conversions weaponized against believers	Open Doors / CSI

This country — that country — is dangerous for the faithful. That is exactly why the work needs people who will lay it all down like Jesus did (John 15:13). Not recklessly — wisely, prayerfully, counted-cost — but wholly surrendered. We need a team of special individuals: brave, skilled, Spirit-led, and unafraid.

4 · The Tools — Changing the Region One Person at a Time

God gives us modern tools for an ancient command. The vision includes using technology and provision to lift these children practically:

- **Basic dignity** — relief from the heat (air conditioning), clean water, food, medicine.
- **Education & computers** — put learning tools in children's hands so a rescued child becomes a teacher, a builder, a leader.
- **AI as a force-multiplier** — translation, tutoring, coordination, and logistics so a small team can reach many.
- **One at a time** — we don't need to boil the ocean; we change the region one freed, disciplined, educated child at a time.

5 • The Mission at Home — the Faith & Fitness Compound

The same God who rescues abroad restores at home. The vision: a place of healing, worship, fitness, and family — where **money is never the gate** (Psalm 50:10 — God owns the cattle on a thousand hills). Income-blind entry: come as you are.

Part of the vision	What it is
Detox / rehab tiny homes	Small, dignified homes for people getting clean + free
RV park + hookups	A landing place; recovery + community on wheels
Sailing / camp (Camp Don Lee style)	Christ-centered camp — sailing, fun, family, discipleship
Big-box gym (old Lowe's / Home Depot)	A huge gym — body stewardship for all ages
Worship center (one side)	Prayer, worship, teaching — the heart of the place
Yoga / stretch / breath area	Wellness & breathwork (health, not another religion)
Lawn-and-garden → courts / track	Tennis, yoga track, outdoor training space
Residential + study rooms	Living space, Bible studies, AA / NA meetings

One roof, many doors: a gym for the body, a sanctuary for the spirit, recovery for the broken, camp for the family, and a launch pad for the mission abroad. Fun for all, Christ at the center, no one turned away for lack of money.

6 • The Team We Need

- **The surrendered** — people ready to lay it down like Jesus; counted-cost, all-in.
- **Builders & operators** — construction, logistics, business, recovery counseling, teaching.
- **Tech & AI** — to multiply a small team's reach at home and abroad.
- **Intercessors** — because this is spiritual before it is physical.
- **Givers & senders** — the ones who fund and pray the workers out.

If God is stirring you as you read this — that is not an accident. Come build.

Praying Jabez over this mission — that God would bless it indeed, enlarge its territory to the ends of the earth, keep His hand upon every worker and every child, and keep us all from evil. In Jesus' name. — David
